

**Greetings all,**

**As we are all creating a new normal, you might notice that this Sunday is Palm Sunday. Our worship service on Palm Sunday “normally” includes the use of Palm branches or fronds that we all wave together during the worship service.**

**We have plenty of Palm fronds that would otherwise feel unused and unwanted. So, we would like to invite you to pick one up for use in your own place of worship for this Sunday.**

**They will be available for pick up from the church kitchens in both Wilber and De Witt beginning tomorrow afternoon at 3:00 p.m.**

**Of course, keeping in mind social distancing, come in and pick one up from the refrigerator and take it home with you. They do begin to dry up within several hours, so it is suggested that you keep it in your own refrigerator until Sunday morning.**

**More information regarding Holy Week and Easter activities will be coming shortly. But we wanted to get the word out about these Palm fronds available for you to have for this Sunday morning! Again, you can pick them up beginning tomorrow (Saturday) at 3:00 p.m. from the church kitchen in both Wilber and De Witt.**

**We all miss each other! We hope and pray for one another! Stay responsible and stay safe and healthy!**

**Peace,  
Pastor Panning**
